

WARRANTY FORM

Please fill out the form below and include it inside the package with your socks.

- Our warranty is a truly awesome 'unconditional lifetime guarantee' and *completely* covers your satisfaction of the sock concerning comfort, durability and fit... unfortunately it does *not* cover things like 'the dog ate it' or if you accidentally melted them in a campfire or have made alterations to the sock or you lost one - we only warranty pairs!
- In the event that the items you returned are no longer in production, or we are out of stock in that exact style / size / colour in Canada, we will replace them with a *comparable* style (height / weight / size) in accordance with our warranty policy. We believe that all of our patterns and colours are amazing and we do our best to send as 'like' as possible, however, in the eventuality that you do not approve of the colour / pattern of your replacement socks, it is not grounds for an 'exchange'.
- Both socks (of any pair) must be returned to us in order to process your warranty. 1 form per 1 pair of socks unless you are sending multiple pairs of the same kind (eg women's run socks or men's hike socks - then use 1 form for all)
